STATEMENT

3. The following statement attesting to the timely transmission of the correspondence referred to above is based upon personal knowledge:

A response to the non-compliant amendment was mailed on July 26, 2006 together with check no.1039 for \$100.00. The check was cashed and applicant believed that the response had been received by the USPTO. Upon looking into the matter following receipt of the Notice of Abandonment, it was discovered that two numbers were transposed on the transmittal form. The USPTO received the response on July 28, 2006, but entered the response into the abandoned Application number 10/667,371 rather than subject application number 10/667,731.

4. Please proceed with further examination of this application on the basis of: The attached copy of the papers originally filed.

REQUEST FOR WITHDRAWAL OF ABANDONMENT
